

AQUA HEALTH in association with Gauteng Environmental Services

ALGAE-GO

ALGAE-GO is an industrial strength treatment product against algae. *ALGAE-GO* is a 100 % environmentally friendly product, safe for humans, animals and plants.

ALGAE-GO is a three in one product. *ALGAE-GO* will kill all bacteria, algae and will soften and decalcify the water. *ALGAE-GO* will flocculate the impurities in the water.

ALGAE-GO will stay active indefinite. This characteristic makes it a highly effective product. *ALGAE-GO* is non-corrosive. As long as there are product left to react to impurities it will be active and wont break down like other products.
