

AQUA HEALTH in association with Gauteng Environmental Services

BATGO

BATGO was specially developed for the control of bats. **BATGO** will drive bats away from an area where they are unwanted. Because bats are protected species they may not be killed. **BATGO** is totally safe to use and environmentally friendly.

General Working

BATGO won't kill bats but will drive them away. **BATGO** will irritate the bats and will cause them to move away. This makes **BATGO** a highly effective but totally safe product for humans, animals and plants.

General Use

- ◆ Control bats in factories.
- ◆ Eliminate problems with bats setting of motion detectors and safety surveillance systems.

Dosing Method

- ◆ **BATGO** is sprayed onto surfaces where the bats are found.

Dilutions

- ◆ Dilute product 1 : 250 to 1 : 500
