OE

ODOR ELIMINATOR BLEND

OE is a natural biological odor eliminator. **OE** does more than merely mask the odor like chemical air fresheners.

OE is a live synergistic blend of all natural, Class 1 bacteria specifically chosen for their accelerated ability to metabolize solids, grease, fats, proteins, lipids and detergents into carbon dioxide and water.

OE are completely natural, non-engineered, non-pathogenic, non-toxic bacteria that are chosen for their safety value.

OE reduces maintenance of septic tanks and reduces the necessity to pump or clean it by as much as 80%. **OE** will eliminate foul odors associated with the buildup of organic waste.

APPLICATIONS FOR THE USE OF OE

- TRASH CANS / DUMPSTERS
- RESTROOMS
- KITCHEN AREAS
- CAR ODORS
- PET ODORS
- CARPET ODORS
- PORTABLE TOILETS
- URINALS
- DIAPER PAILS
- BOATS
- NURSING HOMES
